University of Georgia Press, United States, 2009. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Edge played key roles in the establishment of Olympic and Kings Canyon National Parks and the expansion of Yosemite and Sequoia National Parks. Filled with new insights into a tumultuous period in American conservation, this is the life story of an unforgettable individual whose work influenced the first generation of environmentalists, including the...
