Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Walter Foster Publishing, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book. Challenge your coloring skills with Color-by-Number: Flowers, an exciting new way to color by number. Take your love for coloring to the next level, while you relax, unwind, and stretch your artistic skills in a variety of mediums, including colored pencils, markers, and crayons. You'll start your coloring journey with a short introduction detailing a basic color-by-number guide with tips and examples of each medium and then you'll delve into over 30 unique, color-by-number templates that will allow and encourage you to color and create your own masterpieces. As designs become more complex, you'll have less numbers, which will provide you with an additional challenge and encourage you to choose your own colors and patterns to complete the design. Need some ideas to spark your creativity? This book also includes a full-color reference gallery. With more than 30 color-by-number templates to color, beginners and intermediate artists of all ages will be mesmerized by this unique spin on the traditional color-by-number activity book.
