

Community and Growth

By Jean Vanier

Darton, Longman & Todd Ltd. Hardback. Book Condition: new. BRAND NEW, Community and Growth, Jean Vanier, If you've ever thought about community, whether as a lifestyle or simply as an expression of deeper fellowship with others, this book is essential reading. In the fifteen years since it first appeared in English, it has become the classic text on the subject -- read, dog-eared, borrowed, and discussed. Vanier is not a rosy idealist. That is because his writing is based not on theories, but on a wealth of wisdom gleaned over many years living in community, experiencing difficult days and joyous celebrations, times of struggle and hard-won success, moments of doubt and inspiration. He acknowledges the inevitable little frustrations of a life lived with and for others, but he also helps the reader see that without struggle there is no true growth.
