Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. America the Beautiful by Ben Carson, M.D - A 15-minute Instaread Summary Inside this Instaread Summary: Overview of the entire bookIntroduction to the important people in the bookSummary and analysis of all the chapters in the bookKey Takeaways of the bookA Reader's Perspective Preview of the earlier chapters: Chapter 1Carson grew up in Detroit and Boston when the civil rights movement was changing the social landscape. He was aware of racism all around him. Carson belonged to a segment of the population that was often deprived of opportunities. Rather than cause him to stop fighting, racism inspired him to prove his worth by excelling in school.America was built on a legacy of rebellion. Early Americans fought for change at great personal risk. The Founding Fathers understood injustices that existed in the world and strove to design a government that would level the playing field. However, Americans appear to have lost the ability to endure hardship and to sacrifice for future generations.America's current state, its growing debt, excessive spending, and elected leaders who ignore the will of the people, closely resembles the circumstances preceding the American Revolution. During that time, colonists were forced to rebel against extreme taxation and threats to the freedoms they enjoyed in the New World. However, modern Americans seem to have forgotten what their Founding Fathers sacrificed for the privileges they continue to enjoy. About the AuthorWith Instaread Summaries, you can get the summary of a book in 30 minutes or less. We read every chapter, summarize and analyze it for your convenience.
