Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. During the last decade, we have witnessed an unparalleled explosion of interest in the practice of servant-leadership, as today s business leaders search for a new leadership model for the 21st century. Based on the seminal work of Robert K. Greenleaf, a former ATT executive who coined the term almost 30 years ago, servant-leadership emphasizes an emerging approach to leadershipone which puts serving others, including employees, customers, and community, first. In fact, Greenleaf s work, including his bestselling Servant-Leadership, has become increasingly popular since his death in 1990 and continues to inspire a growing movement of people and organizations concerned with issues of leadership, management, service, and spirit. The Power of Servant Leadership is a collection of nine of Greenleaf s most compelling essays on servant-leadership. These essays, published together in one volume for the first time, contain many of Greenleaf s best insights into the nature and practice of servant-leadership and show his continual refinement of the servant-as-leader concept. In addition, several of the essays focus on the related issues of spirit, commitment to vision, and wholeness.
