0.2in. Traveling in many different Asian countries and talking to plenty mixed couples have allowed me to understand much about the reasons behind such new rapidly increasing tendency. There's clearly a trend of Asian women looking for foreign men, not only inside Asia but outside as well. As the world opens more and we can travel to the opposite side of the globe in just a few hours on a shoestring, it's natural that we may become more acquainted with people from different countries. This exchange between nations leads to mixed couples, for even though we may look different, deep down we're all the same. When socializing it's only normal that it may end up in marriage, even when the initial preference and self-image doesn't allow seeing such outcome. Life simply happens in this way; and, by understanding how it leads people from different cultures to love and marriage, we can find answers to any related question about this reality. We believe the world is very distinctive, when in fact it's all about an acknowledgment of perspectives and self-awareness,...
