## TROLL A LOVE STORY

Grove Press. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.2in. x 5.4in. x 0.9in. Angel, a young gay commercial photographer, has had a bad night. Hes been out with Martes, a hip, supposedly heterosexual creative director at a big ad agency who has been hiring Angel frequently. Angel is drawn to Martes and knows the feelings mutual, but when he tries to take their flirtation to the next level, Martes shoots him down defensively, claiming hes not gay. Drunk, bereft, and exhausted, Angel makes his way home, only to find a group of teenage thugs attacking a small defenseless creature in the parking lot of his apartment building. He comes to its defense and finds that it is a juvenile troll. It appears sickly, wounded, and totally helpless. So Angel takes it inside for protection. In the morning, he almost thinks he dreamed it. But there it is, and so, head splitting with a hangover, Angel goes to the internet to try to figure out what a troll might eat. He finds a great deal of folklore about how trolls are truly mans evil doppelganger, or occult forest creatures. He calls a veterinarian ex-boyfriend, whom he jilted for Martes, and who bitterly hangs up on him after telling him that a trolls system is somewhat similar to wild cats. Desperate, he goes to his downstairs neighbors, where a Filipina mail-order bride, left alone for the day by her brutish husband, answers the door. No, she cant lend him any cat food, but she does offer him some frozen fish. The troll refuses to eat. Eventually, by dint of intense research, Angel begins feeding the troll mice and guinea pigs from several different pet stores, afraid to return to any too soon. It makes a messy kill that disgusts him, but soon...
