CURRENT DIRECTIONS IN FINANCIAL REGULATION

Queen's University. Paperback. Book Condition: new. BRAND NEW, Current Directions in Financial Regulation, Edwin H. Neave, Frank Milne, The continuing rapid evolution of financial systems challenges both management and regulators. While management strives to find cost-effective organizational structures that offer sufficient flexibility to respond quickly to environmental change, regulators strive to find effective responses to the competitive and prudential challenges presented by the rapidly changing dynamics of financial system operations. "Current Directions in Financial Regulation" addresses important aspects of both...
