## FICTIONS

[DOWNLOAD PDF](#)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Fictions, Jorge Luis Borges, Andrew Hurley, The most popular anthology of Jorge Luis Borges' short stories, "Fictions" is a wildly original and influential collection of fantastic tales, translated from the Spanish with an afterword by Andrew Hurley in "Penguin Modern Classics". Jorge Luis Borges' "Fictions" introduced an entirely new voice into world literature. It is here that we find the astonishing accounts of 'Funes the Memorious', the man who can forget nothing; 'Pierre Menard, Author of the "Quixote"', who recreates Miguel de Cervantes' epic word-for-word; a society run on the basis of an all-encompassing game of chance in 'The Lottery in Babylon'; the mysterious world of 'Tlon, Uqbar, Orbis Tertius' which seems to be supplanting our own; and the 'Library of Babel', which contains every possible book in the whole universe. Here too are the philosophical detective stories and the haunting tales of Irish revolutionaries, gaucho knife fights and dreams within dreams which proved so influential (and yet impossible to imitate). This collection was eventually to bring Borges international fame; over fifty years later, it remains endlessly intriguing. Jorge Luis Borges (1899-1986) was born in Buenos Aires, Argentina. A poet, critic and short story writer, he received numerous awards for his work including the 1961 International Publisher's Prize (shared with Samuel Beckett). He has a reasonable claim, along with Kafka and Joyce, to be one of the most influential writers of the 20th century. If you enjoyed "Fictions", you might like Italo Calvino's "The Complete Cosmicomics", also available in "Penguin Modern Classics". "Hurley's efforts at retranslating Borges are not anything but heroic. His visions are clear, elegant, crystalline". (Ilan Savans, "The Times Literary Supplement"). "One of the most memorable artists of our age". (Mario Vargas Llosa).
