St. Martin's Paperbacks, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for the electrifying bestsellers of STEPHEN COONTS THE DISCIPLE "Coonts carefully builds his plot using a wide cast of characters, from insider Iranian spies to cutting-edge aircraft pilots and government officials both high and low. Hardly a page passes without nerve-stretching tension or flat-out action. One can only hope the U.S. president, the head of the CIA, and the Israeli prime minister will have this book on their nightstands for easy reference in case fiction turns to reality, an all-too-real possibility as evidenced by recent headlines." Publishers Weekly (starred review) THE ASSASSIN "The action moves swiftly to its Hollywood ending." Publishers Weekly THE TRAITOR "In bestseller Coonts's assured new international thriller, Tommy Carmellini, the sardonic, laid-back CIA agent who became a star in 2004's Liars and Thieves gets a shot at the big time." Publishers Weekly LIARS & THIEVES "Vintage Coonts.plenty of action and intrigue, with the added benefit of a new lead character." Dallas Morning News "Excellent." Publishers Weekly (starred review) LIBERTY "Frighteningly realistic." Maxim "Gripping.Coonts's naval background and his legal education bring considerable authority to the story, and the narrative is loaded with detailed information about terrorist networks, modern weaponry, and international intrigue.the action is slam-bang." Publishers Weekly AMERICA "The master of the techno-thriller spins a bone-chilling worst-case scenario involving international spies, military heroics, conniving politicians, devious agencies, a hijacked nuclear sub, lethal computer hackers, currency speculators, maniac moguls, and greedy mercenaries that rival Clancy for fiction-as-realism and Cussler for spirited action. [Coonts] never lets up with heart-racing jet/missile combat, suspenseful submarine maneuvers and doomsday scenarios that feel only too real, providing real food for thought in his dramatization of the missile-shield debate." Publishers Weekly (starred review) "Fans of Coonts..."
