

Collins First Atlas: Collins Primary Atlases (2nd Revised edition)

By Collins Maps

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Collins First Atlas: Collins Primary Atlases (2nd Revised edition), Collins Maps, Collins First Atlas is a fun, vibrant and clear starter atlas for 4-7 year olds which provides an introduction to basic geographical and atlas vocabulary. This first atlas introduces the younger pupil to photographs and mapping of a local area. From this beginning the atlas gradually maps through regional, national, continental and world regions with global views of the wider world. Carefully selected map labels highlight certain countries or features which can be easily identified to illustrate the concept of mapping as it becomes more complex. All maps are supported with short informative sentences which use a basic geographical vocabulary.

Reviews

A whole new eBook with a brand new point of view. It is really simplistic but surprises in the fifty percent of the publication. I am just effortlessly can get a delight of looking at a written ebook.

-- Mariano Gleichner

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Mrs. Josiane Collins
