There is always an eternal suggestion, consequently an eternal poetry. The higher we rise, and enlarge our view, we lose some of the poetry of detail; small things vanish from our sight, but what breadth there is around us! Still girdled by shadows, we enlarge our horizons, and the need grows within us to see farther, and to know more. But beyond us there is ever a mystery which science cannot destroy, a mystery that will remain as the theme of poetry. C est le mystere metaphysique. This mystery rests, not on known laws, but on the unknowable. Guyau has also written a volume on the ethics of Epicurus, and one on English contemporary ethics. At his death he...
