FIRST WORLD WAR IN THE AIR

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, First World War in the Air, Phil Carradice, The four years between 1914 and 1918 saw an incredible growth in air power. Beginning with the flimsy early aircraft, seemingly held together just by string and fabric, the author paints a picture of a bygone era when nobody knew quite what could be achieved, or how aircraft could be used. From the early years of the First World War, when men took to...
