Brilliant Publications, United Kingdom, 2014. eBook. Book Condition: New. 1st edition. Language: N/A. Brand New Book. Sum Fun Maths Assessment is a series of 3 books full of puzzle worksheets for assessing children's progress in maths. Each sheet is self-correcting - children solve the mathematical questions, then use the code to find the answers to the silly jokes and riddles. Children will love riddles such as What would happen if all the ducks in the world jumped up and down at the same time? (an earth quack) and What is the best way to communicate with a fish? (drop it a line). Each sheet assesses a particular skill, all linked to the new September 2014 curriculum. In addition to being invaluable for assessing children's learning, the sheets can be used as: Evidence of children's learning; Extension activities; Differentiated group/individual activities; Plenary tasks; Fun time fillers! Topics covered include: Number and place value; Addition and subtraction; Multiplication and division; Fractions; Decimals and percentages.
