Reviews

This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Vickie Wolff)

Thames & Hudson Ltd. Paperback. Book Condition: new. BRAND NEW, Dada: The Revolt of Art, Marc Dachy, Dada was a protest by a group of European artists against World War I, bourgeois society, and the conservatism of traditional thought. Its followers used absurdities and non sequiturs to create artworks and performances which defied any intellectual analysis. This pocket-sized, profusely illustrated guide is the perfect introduction to the movement, which flourished all over Europe and in New York between 1915 and 1925.
