They said that when the end was near, a Bridge would come, and lead them out of the darkness of that dying world. Allie Taylors life was relatively normal. . . Until Revik showed up. And told her she was that Bridge. SHADOW: ALLIES WAR EPISODES 13-17 All what he has done, he has done for the greater good. . . Following the disappearance of the infamous Sword and leader of the anti-human rebellion, Allie finds herself despised by every free seer in the western world. . . and most in the East. Hiding in an underground cell to stay alive, Allie struggles with yet another visage of Revik, too, who turns into a feral animal once free of the Dreng. She only has one shot at saving him, and it means learning more about his past than she ever wanted to know. It also means re-earning his trust, a near-impossible task given what she had to do to get him free. Most of the other seers, especially Balidor, want Revik dead. Even her brother, Jon, starts to question Allies sanity when she refuses to admit Revik might really be beyond saving. Meanwhile, a human-killing disease appears in Asia and a mysterious force rises, known only as Shadow, boasting an army of powerful and ancient seers. . . seers with a darker agenda than even the Rooks. Praise for ROOK: ALLIES WAR EPISODES 1-4 Be forewarned, once you get started, you will be hooked on the series! Alchemy of Scrawl!
