John Wiley and Sons Ltd, United Kingdom, 2003. Paperback. Book Condition: New. New.. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A clear and thorough introduction to techniques and practice issues, as well as basic theoretical frameworks, for beginners. Psychoanalysis is not so much skill-based, as dependent upon the development of the analytic attitude, guided by principles of technique that are used in the clinical situation. Alessandra Lemma's accessible guide has been based on her long experience of teaching trainee practitioners. It includes discussion of interventions and the possible dynamics associated with the different stages of therapy: assessment, beginnings, middle and end phases of therapy. It exposes the rationale underlying a range of interventions and discusses research evidence where relevant and available. Written by a well known author with plenty of practical experience Introductory and aimed at trainees Uniquely, it combines practical advice with theoretical explanation.
