Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Vintage Publishing, United Kingdom, 2007. Paperback. Book Condition: New. New edition. 196 x 128 mm. Language: English . Brand New Book. As a result of what she calls the only stroke of genius I've ever had , Jane Juska placed a personal ad in a newspaper, that began: Before I turn 67 - next March - I would like to have a lot of sex with a man I like. And despite her success, Jane herself is still looking for a man to keep her company - not a husband, not even a partner, but the perfect lover, described by Katharine Hepburn as one who lives nearby and visits often . So the story continues, looking around at her generation, back to her youth, and forward to whatever grabs her fancy. And like many unaccompanied women, Jane's also in search of a better place to live. Her current tiny apartment doesn't allow for much in the way of romance, let alone the giant toy box she wants to fill for her granddaughter, born on her birthday and now just two, who's brought another kind of love to her life. But as a sporadic earner on a teacher's pension, she can never afford the dream house. So the search continues,...
