Texas Tech Press,U.S. Hardback. Book Condition: new. BRAND NEW, Setting the World in Order, Rick Campbell, Robert A. Fink, Rick Campbells journey from the banks of the Ohio to the beaches of Florida is a rhapsody, and the music he makes in ordering his world takes us with him, to the headwaters of a new river. 'Rick Campbells poems leave some sweet dirt under your fingernails proof of hard, honest work when the longing of small-town America is not enough. "Setting the World in Order" eloquently plots our geographically impossible trajectories. On the way, Campbell can lay down a narrative as spacious as the range of a blues harmonica, every gritty riff dissolving into compassion' - Dionisio D. Martnez. 'Rick Campbells poems move with grace and muscle and music from the Catholic working class of his youth, its factories and foundries, along the rivers of Pennsylvania, Ohio, and Florida, and through the lives of the flesh-and-blood characters of contemporary America. Part prayer, part song, part gritty story, they always dance with meaning and significance; they always wholly embrace the idea of individual presence in a terrible, beautiful world' - Frank X. Gaspar From "Harmonica Lesson". Go with the rhythm till you cant get off the track. Like this. Tight-belly staccato, hands cutting and freeing the air, one hard-held bottom line. Play between trains. Keep the wheels in mind. Catch the next one and play all night. In the morning try the whistle. Youve earned it. It should sound like Kansas. "Setting the World in Order" is the tenth winner of the Walt McDonald First-Book Prize in Poetry, selected by Robert Fink of Hardin-Simmons University, editor of the "Walt McDonald First-Book Series".
