*****. This is a collection of stories about fat, fabulous women.

No two of them are alike yet they have to overcome the same stereotypes and prejudices as other large and lovely ladies. Fat bashing is the only socially acceptable form of bigotry left in the United States. Say something like Asians are all., Blacks are all., or even Women are all. and you can get in big trouble, you might even lose your public reputation or your job. But make that Fat women are all. and you ll get laughs. Oh the bitter irony. Americans are getting fatter every day, have been for decades, yet each year we become more obsessed with thinness and ever more fat-phobic. We still believe that a slim waistline makes you a better person, despite abundant evidence to the contrary. But some people, especially some women, are beginning to realize that a dress size in single figures doesn't make you anything different than what you always were, you're the same person-good bad or indifferent-no matter how much, or...

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
