E2 2009n OCLC Number: (OCoLC)613333786 Subject: Predatory lending -- United States. Excerpt: . . . 13 biological weapons nonproliferation regime. At the most recent annual AG Plenary Session June 3 - 6 in Paris, the Group significantly expanded its export controls and strengthened its ability to counter both nation-state and terrorist chemical and biological weapons efforts. Responding to the terrorist events of September 11, 2001, AG participants adopted common export control guidelines that include chemical and biological terrorism as an explicit focus of the regime. Participants also adopted the U. S. -proposed gameplan on regional nonproliferation and the Group agreed to require its members to have catch-all controls, the first multilateral nonproliferation regime to do so. The AG control lists were amended to include technology for the development and production of listed biological agents and equipment, and to add eight new biological toxins. To better combat biological weapons proliferation, the Group reduced the control level for listed fermenters from 100 to 20 liters and to require licenses for exports of biological agents to all countries, including other AG members (except for intra-EU trade). Participants also continued to agree that full adherence to the CWC and BWC by all governments will be a key to achieving a permanent global ban on chemical and biological weapons, and that the states adhering to these Conventions must take steps to ensure that their national activities support these goals. The Group re-affirmed its commitment to continue its active outreach program of briefings for non-AG countries, and to promote regional consultations on export controls and nonproliferation to further raise awareness and understanding of national policies in...
