Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 142 x 107 mm. Language: English . Brand New Book. This book is full of dots and full of fun! You'll enjoy linking the dots together to create 58 delightful pictures. The fun, though, begins even before you start connecting the dots. As you come to each picture, first read the short rhyme at the bottom of the page and see if you can guess what picture the connected dots will form. Then, using a pencil or pen, draw a line from number 1 to dot number 2, and then from dot number 2 to dot number 3, 3 to 4, 4 to 5, and so on. Continue on in this manner until you have connected all the numbered dots. Was your guess correct? If perhaps you made a mistake along the way one of the puzzles has over 90 dots! and you're not sure what the picture is of, you can check the list of pictures at the back of the book. Of course, when you've finished following the dots, you then get to color the pictures. You'll see pictures of all sorts of animals, things that are out of this world and many other familiar objects. Now, if you are ready, it's time for the fun to begin: Follow those dots!.
