Interpet Publishing, United Kingdom, 2002. Hardback. Book Condition: New. Louise Heafield (illustrator). 164 x 130 mm. Language: English . Brand New Book. As well as one of the world's earliest sciences, astrology is an art--and one that isn't limited to humans. Any horse lover can profit from the study of a horse's sun and moon signs. Using an astrological chart--or even the horse's month of birth--character traits, strengths, weaknesses, and athletic potential can be pinpointed. As creatures of flight, horses are sensitive at the best of times; understanding their astrological signs will help owners better interpret their animal's behavior and health.
