B-284973 Systems, to capitalize on the lessons learned from SSAs Year 2000 initiative by establishing and implementing a plan and cognizant milestones for identifying which of its processes and practices can be applied to the agencies existing approach toward managing information technology and institutionalizing those processes and practices as part of the agencies implementation of the Clinger-Cohen Act, where appropriate. In commenting on a draft of this report, SSA agreed with our Agency Comments recommendations and stated that the agency had already begun to apply lessons learned from its Year 2000 efforts. For example, SSA stated that its Year 2000 contingency plans have been incorporated into the agencies Continuity of Operations Plans. In addition, SSA reiterated that it has begun to pilot test the quality assurance validation tool used for its Year 2000 program to determine whether it can help effectively manage the agencies information technology. SSA also stated that it plans to consider applying the lessons learned from its Year 2000 initiative in...
