By Ronald Haines

Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. Do you know what percentage of your income the government defines as affordable when it comes to what you will pay for your health insurance? Will you be eligible for government subsidies? If your employer offers you coverage you may not be, even if you don't take it. Do you know why most Americans under 65 will not be able to keep the health insurance that they currently have? In this book you will find concise explanations about the sweeping changes Obamacare brings to health insurance in America, what it means to you and what your options are. When finished with this short read you will have a comprehensive knowledge of how this law affects you and things that you can do right now that will save you money in the future. What you will not find in this book is theory, rationale or politics. Obamacare is the law of the land in America and beginning in 2014 it is going to have a huge impact on the way Americans obtain and pay for their health insurance....
